Peace. Joy. Community.

Welcome to the Parish of Saint Paul!

Our community gathers each Sunday for worship, ministry, friendship, and fun. We welcome folks of all ages to every facet of our worship and community life. And we regularly feature Youth-filled Eucharists when kids of all ages serve in every role of the service. We welcome folks of all social locations and all faith traditions, or none at all, to every facet of our worship and community life. We thoroughly enjoy each other's company and we care deeply about our church. We are growing, although we are small enough to know everyone by name. We are a neighborhood church that is committed to spreading God's love in the world.

Please feel welcome to join us!

Collaborative Ministry

We are very committed to collaborating with other faith-based communities, both within our own Episcopal tradition, and as interfaith partners with a common mission of peace and justice and compassion.

Communications

Communications at Saint Paul's include our website (www.parihofstpaul.org) and our monthly newsletter, *The Epistle.*, as well as public announcements and signage.

Episcopal Church Women

We are represented on the Board of the ECW, which sponsors retreats & promotes the United Thank Offering.
