

Parish of St. Paul 2009 Stewardship Campaign

Offer Your Time, Talent, and Treasure With Wild Abandon!

Dear Beloved Community,

The sharing of our time and talent and treasure is a wise and joyful use of the many gifts that God has entrusted to each one of us. We have each been created and blessed with unique attributes – qualities, interests, life experiences, abilities, hopes and dreams – which make us who we are and provide unending ways in which we can enrich our communities and the lives of those around us, and by doing so enrich our own. Our lives have deepest meaning when we use our gifts from God in accordance with God’s own hopes and dreams for us. Please prayerfully consider your many gifts and joyfully offer as many of them back to God through the Parish of St. Paul as you can allow and afford.

*Please check the boxes below where you have contributed to the Parish of St. Paul in the past and would like to continue to contribute on the future. And **please consider offering yourself in at least one new way in the coming year. Indicate this new offering by circling the item, and indicate continuing by checking in the boxes.***
