Dear Beloved Community,

The sharing of our time and talent and treasure is a wise and joyful use of the many gifts that God has entrusted to each one of us. We have each been created and blessed with unique attributes - qualities, interests, life experiences, abilities, hopes and dreams – which make us who we are and provide unending ways in which we can enrich our communities and the lives of those around us, and by doing so, enrich our own. Our lives have deepest meaning when we use our gifts from God in accordance with God's own hopes and dreams for us and the world. Please prayerfully consider your many gifts and joyfully offer as many of them back to God through the Parish of St. Paul as you can allow and afford.
